WAYS TO GIVE · SEPTEMBER 2026

Give Stock or IRA Funds

Thank you for supporting ReStoried. Giving shares of stock, or giving straight from an IRA, can lower the taxes you pay while you give.

GIVE STOCK

If you have held the shares for more than a year, giving them directly instead of selling them first means you pay no capital gains tax on their growth, and you can generally deduct their full market value.

1. Ask your broker to transfer the shares to ReStoried Life. Please don't sell them first.
2. Give your broker these details:

RECEIVING FIRM	**Vanguard**
DTC NUMBER	**0062**
ACCOUNT NAME	**ReStoried Life**
ACCOUNT NUMBER	**22591557**

3. Email Haley at haley@restoried.org with your name, the stock and the number of shares. Transfers usually arrive without the giver's name, so this is how we know to thank you.

GIVE FROM YOUR IRA

If you are 70½ or older, you can give from a traditional IRA through a qualified charitable distribution. The gift isn't counted as taxable income, and it can count toward your required minimum distribution. You can give up to $111,000 this way in 2026.

1. Ask your IRA provider for a qualified charitable distribution paid directly to ReStoried Life. If the money is paid to you first, it doesn't qualify.
2. Give your IRA provider these details:

PAYABLE TO	**ReStoried Life**
TAX ID (EIN)	**99-0880672**
MAIL TO	**130 Thurmond Lane, Ste. 203, Clemson, SC 29631**

3. Email Haley at haley@restoried.org with your name and the amount. IRA checks sometimes arrive without the giver's name, so this is how we know to thank you.

We send a written acknowledgment of every gift for your tax records. This sheet is general information, not tax advice; please talk with your financial or tax advisor about your own situation.
